## Registration for Programs

Some programs are limited in number/space. Registrations will be handled on a first-come, first-served basis with ALL sessions requiring preregistration by October 1<sup>st</sup>. We will have your tickets and nametags at the OCDF Arrival Table in the meeting room area on Friday, Saturday, and Sunday mornings. Please be sure all preregistration payments are made by October 1<sup>st</sup> or your tickets will be given to other families wishing to attend those sessions. We will do our best to get you into your first choice time-slot but if we can't, we will put you in the next available time-slot for that program topic. Remember that Arts and Crafts for kids are for ages 6-12. OCDF staff will only teach the crafts and provide help but are NOT responsible for your children in the pool area or if they wander away from the group. We suggest that parents of young children be sure there is one person available to be with your children while in the pool area. **Children ages 5 and under are the responsibility of the parents throughout the weekend.** There are pool areas are only suitable for young children under parental supervision.
